What makes DCP unique?

What makes DCP unique?

Downtown College Prep prepares underserved students, who will be the first in their families to go to college, to thrive at four-year universities. We accomplish our mission through:

Small class sizes

Personalized attention to students

Extended school day to give students extra help with homework

Teachers/Advisors who provide individualized support to students on a daily basis

College prep curriculum

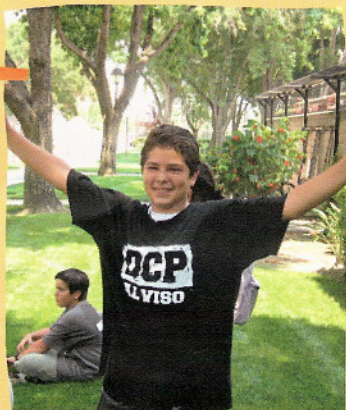

Experienced, dedicated teachers

College planning and guidance

Uniforms that promote a safe school environment

A school community dedicated to academic success

Focus on parent involvement

DCP Student

Who are we?

We are college prep students!
A college education is our right!

Ganas

Hard work is our passion!
We work when no one else is working!
We accept that change is a must!
We don't just work hard we work smart!

Orgullo

We take pride in our health, history and community.
Success is our attitude.
We handle success like we handle failure,
By being humble and continuing to improve.

Comunidad

We respect others and ourselves!
We take full responsibility for our actions!
We develop and demonstrate loyalty!
We put community before self.

Who are we?

We are DCP Alviso!
