Mission Statement

The "Santa Visits Alviso" Foundation is dedicated to bringing Christmas to the youth of Alviso. We work closely in partnership with the Alviso Community, Alviso Library and the City of San Jose to promote education and community activism. We also provide the community with a scholarship program to support the youth of Alviso so that they may take their rightful place among the best and the brightest in our nation.

History of the Foundation

The "Santa Visits Alviso" Foundation had its humble beginnings in 1983. The goal was to bring Christmas to the families of Alviso that were displaced by the flood that devastated Alviso. Initially candy canes and hot chocolate were provided by Santa to families that otherwise might have not had a Christmas. The program has continued to grow over the years and today the Christmas program serves several hundred people each year from the Alviso community and beyond.

Not for Profit Foundation

The "Santa Visits Alviso" Foundation is an all volunteer organization that provides educational gifts along with the joy and spirit of Christmas to hundreds of youngsters ranging from toddlers to teens. This is due to the generosity of time, talent and monetary donations of those who wish to share in this people-helping-children concept that enriches both the givers and the receivers. We are active all year and along with our Christmas program we also fund many other events organized by the Alviso Library and the Alviso Youth Center.
